### End of Year Expectations for Year 1

This booklet provides information for parents and carers about the end of year expectations for children in our school.

Meeting these objectives will help your child to make good progress as they move through the school. All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is valued greatly.

If you have any questions about the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.
