SEN INFORMATION REPORT

VISION/MISSION

Brunswick Park Primary is an inclusive school where there is a shared expectation that all pupils, regardless of their specific needs, should be offered inclusive teaching which will enable them to make the best possible progress in school and feel that they are a valued member of the wider school community.

The range of support deployed will be tailored to individual need, following thorough assessment by internal or external agencies. It is designed to promote pupils working towards becoming independent, courageous, resilient and ambitious learners. Brunswick Park Primary also has a Resource Base for children with Autism.

WHOLE SCHOOL/SETTING APPROACHES

Information on policies, people and statutory guidance

School Policies and statutory guidance

The School's SEN Information Report should be read in consultation with other key school policies that are accessible on the schools website: Behaviour Policy, EYFS Policy, Home School Agreement, Safeguarding Policy and the SEND Policy 2014.

The specific objectives of our School Offer/SEND policy are as follows:

- to identify pupils with special educational needs and disabilities and ensure that their needs are met
- to ensure that all learners make the best possible progress
- to ensure parents are informed of their child's special needs and provision and that there is effective communication between parents and school
- to ensure that learners express their views and are fully involved in decisions which affect their education where appropriate
- to promote effective partnership and involve outside agencies when appropriate

The success of the school's SEN Information Report/policy will be judged against the aims set out above. The Governing Body will ensure that it makes appropriate special educational provision for all pupils identified as in need of it. The Governing Body will review subject leader's reviews in the school self-evaluation reports to ensure successful implementation of the school's policies including the SEND School Offer/policy. The School's SEN Information Report will be reviewed annually in response to adjustments made to the Local Authorities Local Offer and following analysis and assessment of the needs of children attending the school. Effectiveness of the provision provided for children will be made using data analysis and provision mapping.

SEN INFORMATION REPORT

Types of SEN, disability and medical needs

The Code of Practice 2014 states that:

‘A pupil has SEN where their learning difficulty or disability calls for special educational provision, namely provision different from or additional to that normally available to pupils of the same age.’

The Four broad areas of need identified within the SEN Code of Practice 2014 are:

- Communication and Interaction (e.g. speech articulation, stammering, speech and language delay, autism etc)
- Cognition and Learning (e.g. global learning difficulties, dyslexia, dyscalculia etc)
- Social, Emotional and Mental Health Difficulties (e.g. anxiety, depression, eating disorders, obsessive, compulsive disorder (OCD) etc)
- Sensory and Physical Needs (Visual impairment, hearing impairment, sensory needs (e.g. autism), toileting issues, physical disability etc)

Brunswick Park Primary school is committed to using its best endeavours to meet the SEND needs of all children who attend the school.

Who are the best people to talk to in this school about my child’s difficulties with learning/ Special Educational Needs (SEN) disability or medical issues?

Class Teacher

If you have concerns about your child you should speak to your child’s class teacher first. You may then be directed to the SENCO or Inclusion Manager. The Class Teacher is responsible for:

- ✓ Adapting and refining the curriculum to respond to strengths and needs of all pupils.
- ✓ Checking on the progress of your child and identifying, planning and delivery of any additional support.
- ✓ Contributing to devising personalised learning plans to prioritise and focus on the next steps required for your child to improve learning.
- ✓ Applying the school’s SEN Information Report /policy.
- ✓ Line managing additional TA support that is available within every class.
- ✓ Following any recommendations made by the SENCO, Inclusion Manager or external specialist.
- ✓ Carrying out on-going assessment within class.

Inclusion Manager – Karen Smith & SENCO – Helen Bansback

Depending on when and how your child’s special needs have been identified you make speak to the school’s Inclusion Manager or SENCO. You can request a meeting through the class teacher or directly through the school office. The Inclusion Manager and SENCO work closely together and are responsible for:

- ✓ Coordinating day to day provision for children with SEND
- ✓ Line Managing the specialist SEND “team” of staff and developing the school’s SEN Information Report / policy.
- ✓ Providing specialist advice and facilitating training to ensure that all staff are skilled and confident about meeting a range of needs.
- ✓ Liaising with Speech Therapists and other outside agencies

Brunswick Park Primary

SEN INFORMATION REPORT

- ✓ Attending panel meetings, visiting potential children and meeting potential parents
- ✓ Administration surrounding Annual Reviews
- ✓ Meeting parents regularly including Parents Evenings.
- ✓ Making referrals to and liaising with a range of agencies outside of school who can offer advice and support to help pupils overcome any difficulties.
- ✓ Assessing or organising assessment of children where there are additional concerns.
- ✓ Ensuring that parents are: 1. Involved in supporting their child's learning and access 2. Kept informed about the range and level of support offered to their child 3. Included in reviewing how their child is doing 4. Consulted about planning successful movement (transition) to a new class or school
- ✓ Analysing progress of SEND children
- ✓ Updating the school's SEND register
- ✓ Reporting to Governors
- ✓ Ensuring that the Administration of Medicine policy is adhered to and that the medical needs of children are met

Resource Base Provision

In addition, the SENCO (with the support of the Inclusion Manager), also oversees the Resource Base for autism:

- ✓ Co-ordinating and line managing the Resource Base Team
- ✓ The day to day running of the Resource Base as well as long term strategic development
- ✓ Timetables and activities while in Resource Base
- ✓ Teaching groups of children
- ✓ Monitoring and analysing progress of children within the Resource Base
- ✓ Providing a source of information and resources to colleagues to work with children in the Resource Base and in class

The Head Teacher – Susannah Bellingham

The Head Teacher is responsible for:

- ✓ The day to day management of all aspects of the school, including the provision made for pupils with SEND
- ✓ She will give responsibility to the Inclusion Manager, SENCO and class teachers but is still responsible for ensuring that your child's needs are met.
- ✓ Organisation of appropriate training in relation to SEND
- ✓ Delegating support staff to classes
- ✓ The Head Teacher must make sure that the Governing Body is kept up to date about any issues in the school relating to SEND

The SEND governor – Simon Cardy

The SEND governor is responsible for:

Supporting school to evaluate and develop quality and impact of provision for pupils with SEN across the school.

Where concerns arise, Audrey/Julie Tracey (Parent & Families Support Advisor)/Karen (Inclusion Manager) will meet with parents/carers to plan strategies to help achieve full attendance.

Complaints procedures regarding SEN provision

We strive to provide the highest level of support and education for every child in the school, however, if you as a parent or carer wish to complain about how we have provided for the special educational needs of your child, our suggested procedure would be:

1. Speak to your child's class teacher and /or the **SENCO** Helen Bansback, who is available Monday to Wednesdays.
2. If this does not solve the problem and you are still unhappy about how your child's needs are being met, speak to the Headteacher, Susannah Bellingham. (You will probably need to make an appointment to do

Brunswick Park Primary

SEN INFORMATION REPORT

this, but the office should assist you in doing so).

3. If this still does not solve the problem, you could contact Simon Cardy, a member of the governing board who is responsible for Special Educational Needs and Disability at Brunswick Park. This is best done by writing to him, care of the school office.

4. Southwark Council are not responsible for investigating complaints about schools, but if you wish to seek outside information and advice on how to make a complaint please follow this link.

<http://www.lgo.org.uk/publications/fact-sheets/complaints-about-specialeducational-needs/>

If you wish to make a complaint to the Local Authority about some aspect of its practice with respect to meeting the Special Educational Needs of your child, this is perhaps best done by contacting them directly on: Telephone: 020 7525 0042 or via e-mail at: complaints@southwark.gov.uk

Following a request for an Education Health and Care plan (EHCP), if the local authority decides an EHC plan is not necessary you have the right to appeal to the Tribunal which is overseen by Her Majesty's Courts and Tribunal Service. You have up to two months from the date the decision letter is sent by the Local Authority to register the appeal. Where it is fair and just to do so, the Tribunal has the power to accept appeals outside of the two month time limit.

Wider World of School; Approaches to extra-curricular activities and pastoral care

Admissions

Students with SEND are allocated places in two separate & distinct ways:

Those pupils with statements or EHCPs have a separate admissions procedure overseen by Southwark's SEN team. Applications for children with special needs or with a disability will be treated fairly.

Those pupils who have SEND but do not have a statement or EHC plan are admitted via the normal school admissions criteria. Detailed information and guidance of how to apply for a place at Brunswick Park Primary both if your child has an EHC plan or statement of special educational needs, or if s/he has special needs but does not have a statement, can be found on the following link:
<http://www.southwark.gov.uk/schooladmissions>

Any Special Needs that are identified on admission are discussed with parents allowing the school to provide support to and put into place support mechanisms to cater for the child's Special Educational Needs or Disabilities.

Environment and reasonable adjustments

What support can be offered to help my child develop good learning behaviour and a sense of wellbeing?

- The school building is housed in a three storey Victorian building; however the ground floor is easily accessible. Teachers adapt classroom layouts to cater for children with special needs and or a disability. There is a toilet for people with disabilities on the ground floor.
- [View Accessibility Plan](#) (link is not live - currently being updated and approved by the governors)

Approaches to Teaching and Learning

Curriculum and Teaching Methods

How will teaching be adapted to meet the needs of my child?

All children are entitled to excellent classroom teaching also known as Quality First Teaching. Teachers will have the highest possible expectations for your child and all pupils in their class. Teachers will ensure that teaching is based on building on what your child already knows, can do and can understand. Teachers are skilled at adapting teaching to ensure it is multi-sensory and meets the diverse range of needs in each class. Daily planning takes into account individual pupil's needs and requirements. Differentiation is approached in a range of ways to support access and ensure that all pupils can experience success and challenge in their learning. This may include providing additional materials/ resources / additional support or an adapted activity. This may also include putting in place specific strategies to support your child to learn, which may be suggested by the Inclusion leader or outside staff. Homework is differentiated to ensure that it is at an appropriate level.

Grouping arrangements are generally organised flexibly with opportunities for both ability and mixed setting to maximise learning opportunities for all. This will also include challenge activities for the more able children.

Brunswick Park Primary

SEN INFORMATION REPORT

Additional adults are used flexibly to help groups and individual pupils with a long term goal of developing independent learning skills.

Monitoring takes place to avoid pupils becoming over reliant and dependent on this adult support. Some interventions may change as progress and needs are monitored.

Types of Intervention

How will my child's access to learning be supported?

In class

- Alternative recording methods
- Visual timetables, Now and Next boards, Communication tools, basic Makaton for class & individuals
- Steps to success used in every lesson
- Differentiated activities
- Extension activities
- In class support programmes
- Access to learning support staff in class
- Mentoring support
- Specific differentiation or modification of resources e.g. use of Communicate in Print/Picture aids etc.
- Guided reading programmes in all classes
- Regular teaching of phonics in class Reception and Key Stage 1
- Use of IT programmes in class to reinforce strategies (Word Shark, Phonics etc)
- Ability setting

Withdrawal support

- Programmes to support speech and language where recommended by a therapist
- Speech and Language Therapist advice disseminated to and followed by teaching staff
- Speech therapy individual or group work delivered by support staff following speech therapist advice
- Support staff to attend Speech and Language appointments when possible.
- Access to a specialist dyslexia teacher (SENCO) and teaching assistant offering advice both to staff and parents
- Small group teaching
- Autism specific interventions in the Resource Base

Staffing Expertise

How skilled are staff in meeting the needs of my child?

Our Inclusion Manager & SENCO actively engage with local opportunities to share best practice and keep abreast of current local and national initiatives and policy to support pupils with SEN.

The school also seeks advice and guidance from local special schools to review, evaluate and develop

Brunswick Park Primary

SEN INFORMATION REPORT

provision for pupils who have the most complex needs.

The SENCO is also a dyslexia specialist teacher.

The training priorities are set out in the School's Improvement Plan. This document is created and maintained by the Head Teacher.

How are children involved in their learning

Children are encouraged to be involved at all stages of their learning. On a daily basis children are expected to reflect on their learning and self-assess their work against the success criteria of the lesson. Children with SEN are involved as far as possible in setting their targets and also tracking their progress as they learn.

In preparation for Annual Reviews children are asked to reflect on their progress over the past year and how they are performing in class.

At all opportunities, children are encouraged to talk about their strengths and preferences for learning.

There is also an active school council with representatives from every class. The council meet fortnightly and discuss issues important to the children and they campaign and act to make change for good in the school.

Information about early identification and assessment

Assessment

How can I find out how well my child is doing in school?

The Class Teacher is responsible for the **assessment** of all the children in the class on a day-to-day basis, within the agreed record-keeping and assessment procedures of Brunswick Park Primary School. On entry baseline assessments are completed in the Nursery and Reception. The Early Years Foundation Stage Profile is carried out at the end of Reception. Concerns noted through these may trigger SEND identification. SEND children in the Early Years are assessed using the EYFS framework from birth to 5.

Progress of children within Key Stage 1 and 2 is tracked half termly (a minimum of 5 times per year). The school uses teacher assessments, QCA tests, Assertive Maths Tests as well as formal S.A.Ts assessments and tests in Year 2 and Year 6 to monitor progress. B-squared summative small step assessments are used to monitor the progress of children with complex special needs.

The progress of all children is discussed with class teachers in termly **Pupil Progress Meetings**. These meetings also include members of the senior leadership team.

Class teachers identify pupils who are not making progress or who have needs which are affecting their ability to engage in learning activities.

In consultation with the Inclusion Manager, SENCO and parents, actions can be agreed with the aim of reducing barriers to learning and ensuring that good progress is made. The intention is always to aim to reduce any attainment gap and ensure that each child is able to understand and apply good learning

Brunswick Park Primary

SEN INFORMATION REPORT

behaviour. After discussions with parents, additional support can be put into place to provide targeted support to help overcome any difficulties. The views of the pupil him/herself will be given consideration.

Parent/Teacher Meetings

Parents can contact the Class Teacher to request information about how well their child is doing in school at any time. Regular meetings for children with SEND will provide opportunities to discuss how your child is doing in school. Termly written reports also outline how well your child is doing in school.

Test Access Arrangements

Test Access Arrangements for some pupil's additional arrangements and adjustments can be made to enable them to fully access tests. This might include additional time, rest breaks or the use of a scribe or word processor. The Deputy Head Teacher or Inclusion Manager can inform you about eligibility for these arrangements at Year 6.

SEND SUPPORT including students with EHC Plans

Procedures for considering if a child has SEN

Early Identification

The school aim to provide early identification of children's SEND needs in order that appropriate support can be put into place to ameliorate the SEND need. The Code of Practice 2014 states that

- ❖ ***SEN may be present if progress is significantly slower than that of their peers starting from the same baseline***
- ❖ ***Fails to match or better the child's previous rate of progress***
- ❖ ***Fails to close the attainment gap between the child and their peers***
- ❖ ***Widens the attainment gap***

It should be noted that lack of progress does not automatically mean the child has SEN. Other barriers to learning such as poor attendance or punctuality, difficulties related to English as an additional language, bereavement are just a few of the barriers that may impact on attainment and should be taken into account when deciding what further actions are necessary.

If a child's development is causing concern, despite differentiated learning opportunities, the Class Teacher will raise concerns with the Inclusion Manager or the SENCO and provide evidence to support their concerns. Initial concerns may have been raised with the Class Teacher by a parent or another professional. Concerns regarding lack of progress may also be identified within **Pupil Progress Meetings**. The Class Teacher is responsible for informing the child's parents of their concern and collecting any relevant information about the child.

Records of meetings involving parents will be kept and a copy provided for parents.

Brunswick Park Primary

SEN INFORMATION REPORT

Information on the schools graduated approach - Assess, Plan, Do, Review

Assess

The Class Teacher and Inclusion Manager or SENCO will analyse any assessments already conducted and plan any further assessments needed. This may include:

- In class observations
- Speech and Language Therapy screening assessments
- Literacy assessments
- Numeracy assessments
- Outside assessments may be accessed at this point for difficulties such as stammering, speech articulation.

Following these assessments a decision will then be made by the Class Teacher, parent and Inclusion Leader to initiate SEND support. When external agencies are involved, their advice and recommendations are included in support programmes. Actions agreed take into account each pupil's strengths as well as their difficulties. Where appropriate additional support may be deployed to ensure your child can engage in lessons and wider school activities and to facilitate independent learning.

Plan

- Where it is decided to provide a pupil with SEND support the parents will be informed usually by the Class Teacher or Inclusion Manager/SENCO.
- The Class Teacher or lead professional, in consultation with parents will agree the interventions and support to be put in place as well as the expected progress. A clear date for review will be set.
- All relevant support staff are made aware of any strategies/interventions to be used with the child.
- Parents will be asked to support the child at home and where relevant advice and support will be provided by school staff.

Do

- The class teacher is **responsible** for working with all children on a daily basis.
- Where interventions involving 1:1 teaching or group teaching occur away from the main class the teacher still retains **responsibility** for the child.
- The Class Teacher will work **closely** with the Teaching Assistant or Specialist Support Staff involved to plan and assess the impact of interventions and how they are linked to class teaching.

Review

- **The impact** of support offered, interventions used and targets set will be reviewed by the Inclusion Manager, SENCO, Class Teacher, Specialist Support staff involved in supporting the child.

Brunswick Park Primary

SEN INFORMATION REPORT

- Support arrangements will be updated and revised accordingly. If not involved already, this might include referral to external agencies.
- Parents will be provided with **clear information** about the impact of the support and interventions during Class Teacher/parent meetings enabling them to be involved in the next steps.

Discussion should focus on progress made by the child. Then the following decision can be made:

- 1) Progress is very good and the difficulty seems to be resolved, (the child's name may be removed from the Register) SEND support ceased.
- 2) Progress is good and support is continued or progress is monitored to ensure it is maintained.
- 3) If your child is continuing to have significant difficulties, further external expertise may be requested or further intervention or an alternative programme is used.

Please note that identification of SEND does not automatically mean your child will be involved in a specific intervention, throughout the whole of an academic year.

Risk Assessments/Behaviour Plans

Individual risk assessments or Behaviour Plans may be completed for children with additional behavioural or medical needs. These are reviewed at least once a year. If additional needs occur then the risk assessment is reviewed automatically by the Inclusion Leader in liaison with the child's parents and class teacher.

Education Health and Care Assessments and Plans

Education Health and Care Assessments Plans/Statutory Assessment

If a child has a severe SEND needs then the school and or the parent may decide to request a Statutory Assessment the Inclusion Manager or SENCO undertakes to provide the school evidence and relevant documentation to send to the Local Authority, in accordance with Local Authority procedures.

During the time that these procedures are being followed, the Class Teacher, Inclusion Manager or SENCO and specialist will continue to try to meet the needs of the child through personalised planning.

The writing of EHC plans will be completed in consultation with parents, the Inclusion Manager and a representative from the Local Authority.

Children with EHC Plans or Statements

When a child has a statement of Special Educational Needs, the statement specifies the child's learning objectives and what provision must be put in place to meet these needs. It is the Head Teacher's responsibility to ensure that the necessary support is organised and put in place, using the financial resources provided or from delegated funding.

The Inclusion Manager & SENCO with the support of the Head Teacher and Class Teacher and in consultation with other adults (including the parents) working with the child, will be responsible for planning and coordinating the provision. Personalised targets will relate to the objectives set out in the

Brunswick Park Primary

SEN INFORMATION REPORT

child's EHC plan or Statement.

Annual Reviews for children with EHC Plans or Statements

A formal Annual Review Meeting, involving the Inclusion Manager, SENCO, Class Teacher, Parents/Carer and any specialists involved with the child will be held annually. Pupils when appropriate are invited to attend part of the annual review meeting or to offer their views regarding their progress if they do not feel comfortable to attend in person. All relevant parties will be contacted and invited in writing to the review meeting. They will be invited to send reports detailing the child's progress. At this meeting new targets are agreed for the year ahead. Copies of the report of the Review Meeting are sent to the Local Authority, parents and other attending parties by the Inclusion Manager. The presence of a Local Authority representative will always be requested at key times of transition (e.g. Reception, Year 5).

If there are significant changes in the child's circumstances between the normal dates for the Annual Reviews, an additional Review Meeting may be called.

Mediation Services/SEND Tribunal

If parents are not in agreement with a decision made by the Local Authority they can access mediation services or apply to SEND Tribunal to contest the decision and resolve the disagreement.

Information regarding mediation services and SEND Tribunal will be provided to parents by the Local Authority on application for a statutory assessment.

Arrangements for supporting transitions for pupils with significant SEND

Children and young people with SEND can become particularly anxious about "moving on" so we seek to support successful transition by:

When moving to another school:

- ✓ We will contact the School SENCO/Inclusion Manager and share information about special arrangements and support that has been made to help your child achieve their learning goals
- ✓ We will ensure that all records are passed on as soon as possible
- ✓ On some cases additional multi-agency meetings (TAC) may be arranged to create a more detailed "transition" plan which may include more visits to the new school and/or additional visits from the new school.

When moving classes in school:

- ✓ An information sharing meeting will take place with the new teacher
- ✓ Opportunities to visit the new class and teacher
- ✓ A transition book may be created and sent home with parents to read during the holiday period
- ✓ Friendship buddies will support them within the playground

When moving to our school

- ✓ All casual admissions will meet with an appropriate member of the Senior Leadership Team to collect information. Listening support will be provided to help children settle into class
- ✓ Where there is a SEND need the Inclusion Manager, SENCO or Class Teacher will where possible attend a transition meeting at nurseries or schools

Brunswick Park Primary

SEN INFORMATION REPORT

- ✓ Early Years Practitioners will conduct a home visit
- ✓ Appropriate support will be deployed to meet SEND needs

Information about funding and resources

All schools are allocated a budget to provide for the educational needs of all children who attend the school.

SEND Budget

In addition, the Local Authority delegates specific funding to school to meet the needs of children with SEND based on social deprivation factors, the number of children who qualify for free school meals and children's prior attainment. This money is used to meet the additional needs of SEND children within the school.

This provision can take a number of different forms. Support can be provided through the allocation of Human Resources, Curriculum Adaptation, Grouping and Assessment, as outlined above.

Children with Statements/EHC Plans

Formerly the Local Authority provided additional funding for children with Band 3 or 4 Statements. Band 5 6 or 7 statements did not have additional funding allocated to them. The school decides the appropriate allocation of funding to support these children's needs using delegated funding mentioned above.

The school will now finance the first £6000 pounds of any future EHC plan from the SEND budget.

Support is provided for children with EHC Plans or Statements as specified in their EHC Plan or Statement of Special Educational Needs. This provision is individualised to meet the child's specific needs and to achieve the objectives set out in their plan.

Pupil Premium

Pupil premium funding is also available to meet the needs of children entitled to Free School Meals or who are Looked After.

6 monthly PEP meetings for Looked After children will consider the provision and funding required to meet the needs of LAC children.

Use of funding/Allocation of resources

The Head Teacher deploys support staff to classes to meet the needs of children. This is informed by data analysis taken from the schools assessment cycle and the needs of individual children identified with SEND and or disabilities.

The Inclusion Manager deploys Specialist Support Staff to meet the needs of children requiring SEN support.

External Agency/Specialist Provision

The school purchases Speech and Language provision through the NHS for Nursery aged children and private therapists for children from Reception to year 6. Therapists assess and provide advice with regards to the needs of children with speech and language difficulties.

SEN INFORMATION REPORT

The school purchase support from the Early Help Locality team, which includes access to an Educational Psychologist, Education Welfare officer, Family Support Worker, Social Worker, Autism Support Service. Referrals can be made to the Early Help Team when further assessment or support is required for children. The **Common Assessment Framework (CAF)** is used by the Inclusion Manager, SENCO and the Safeguarding and Interventions officer and others when necessary to assess the needs of individual children and make appropriate referrals for specialist support. Most of these referrals are sent to the Early Help Locality Team.

We are committed to effective collaboration between all agencies working with a child and a multi-disciplinary approach to meeting children's special educational needs. Team Around the Child (TAC) meetings are organised to enable this. These meetings include parents and professionals involved with supporting children and families. We will actively support the establishment and maintenance of close links with all agencies working with children.

Provision Mapping

The provision organised to meet needs across the school is set out within the school's provision map. This is a working document that is adapted based on expertise and needs of children. The provision map is maintained by the Inclusion Manager. In addition, each class has an Inclusion Overview which shows at a glance the profile of the children within that class, interventions which are being received, and provision which is being accessed.
