

## Sports Premium Plan and Impact Statement 2020 – 2021

**Brunswick Park Primary School will receive £19552 in PE and Sports Premium funding.**

*The PE and Sports Premium can be used to fund the following activities and initiatives:*

*additional, sustainable improvements to the provision of PE and sport for all pupils and to encourage healthy, active lifestyles.*

*This includes developing or adding to the PE, physical activity or sport activities Brunswick offers already, and building capacity or capability within the school to ensure improvements benefit pupils joining in future years.*

There are 5 Key Indicators across which improvement should be seen. These are:

1. The engagement of all pupils in regular physical activity. It is recommended that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement;
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broader experience of a range of sports and activities offered to all pupils;
5. Increased participation in competitive sport.

Area of focus	Rationale	KI	Summary or activity	Spend Breakdown	Impact July 2021 <i>What is the impact of the funding on pupils' PE and sport participation and attainment? How the improvements will be sustainable in the future?</i>
<b>Membership of the London PE and School Sports Network (LPESSN)</b>	Running sports activities with other schools; Providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across the school	1 2 3 4 5	The LPESSN provides access to the school competition programme for Southwark, INSET training for staff, PE Co-ordinator Meetings and various events/workshops that increase children's activity levels and improve physical literacy; Using the membership, the specialist PE teacher and Southwark Gymnastics plan extra-curricular activities, prepare children for competitions, train staff and stay abreast of updates relating to PE and Sport.
