Dear Parents and Carers

A warm welcome back after the Half Term Break, and I begin by wishing all our Muslim families Eid Mubarak. This year Eid fell on Tuesday 4 June, and for many it is celebrated throughout the week. May the coming year be peaceful, happy and harmonious for us all.

Before the holiday, Brunswick's children were extremely both in school and outside. I am particularly proud of our pupils in Year 6, who represented the school so well at the annual London PE and School Sports Network Dance Festival, winning it for the third year in succession. There are more details below of this and the other interesting things the children have been doing.

In the last Newsletter I wrote to you about the financial challenges Brunswick Park faces and that these would result in some staff changes beginning this Half Term. For your information you will find an updated staff list both on this Newsletter and on the school website.

Finally, I am pleased to release the term and holiday dates for the next academic year 2019-20. You will find them on this Newsletter and on the school website. As Head Teacher, I am responsible for ensuring all of Brunswick's children attend school regularly and to support parents and carers in fulfilling their legal duty to ensure their children do the same. I am not permitted by law to authorise absence from school as a result of holiday in term time. However, I am also a human being, and I understand the pressures families face when trying to arrange affordable travel. Brunswick's families live all over the world, and we all know that holidays and flights are more expensive during school holidays. To support you in arranging more affordable travel during school holidays, I have placed two of the school's 5 In Service Training Days (INSET) at the beginning of September, and the remaining 3 at the end of the Summer Term in July 2020. This means the children finish on 16 July when flights and travel should still be cheaper. Working in partnership for the benefit of the children is our aim, which this arrangement is designed to support.

With best wishes for a peaceful and enjoyable weekend

Susannah Bellingham, Head Teacher

A message from the School Office:

When making trip payments at the School Office, please ensure you have the correct amount of money with you.

As the Office no longer handles cash regularly, we are unfortunately unable to give change as we often do not have any. Thank you for your understanding.

What are we learning?

EYFS Nursery – Our topic is **You Are What You Eat**. We will be reading **Pass the Jam, Jim** by Kay Umansky and **Oliver's Vegetables** by Vivien French. We are learning about different kinds of food and where they come from.

EYFS Reception – Our topic is **Family and Friends**. We will be reading **So Much** by Trish Cooke and **Oi, Frog** by Kes Gray. We are learning about how families are all different and how to be a good friend.

Above are current texts and topics that the children are learning.

There are more details on the Curriculum Section of the school's website.

Trips and visits are planned at school to support these topics.

Please use this information at your local library or use it to plan trips, visits and activities of your own.

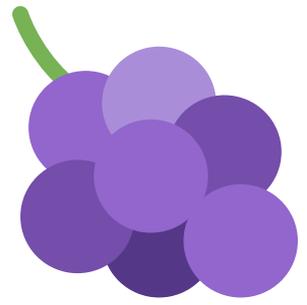

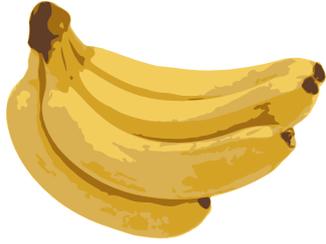

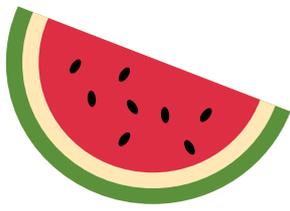

The Importance of Trips and Visits in our Curriculum

To develop skills across the curriculum, children need to experience new things and be given regular opportunities to learn outside the classroom.

Experiences fire the imagination, develop knowledge and vocabulary, give children something to talk and write about and develop their understanding of the world.

Trips and visits start in the Nursery with our youngest children; here they are at Battersea Park Zoo on 22 May having arrived there on the bus with responsibility for their own lunch and belongings. They had a fantastic time, as did the very helpful parents who joined the staff to help out for the day. The children now know a lot more about animals, their topic last Half Term.

The Guide to Goodness

Many of our homemade desserts contain at least 50% fruit!

The fish we serve is from well-managed and sustainable fisheries.

Over 75% of our dishes are made fresh on site today from fresh ingredients.

We use wholegrain flour and serve wholemeal bread.

Where possible we use ingredients sourced from local producers.

We will support National Healthy Eating Week at school through serving a daily fruit snack, encouraging the children to drink water at play and lunchtimes, serving a nutritionally balanced menu for lunch, jogging the Daily Mile on Wednesday and through assembly and PSHCE.

Can you support the week's 5 challenges at home?

Wow! The Greatest Dancers

On Wednesday 22 May Chantelle Thomas took Year 6 to Crystal Palace National Sports Centre to take part in the annual LPESN Dance Festival.

20 Year 6 pupils competed and for the third year in a row our Dance Team won!

The children's performance was absolutely outstanding, and brought a tear to the eye.

The festival fell during Mental Health Awareness Week, and the dance was linked to PSHCE work on diversity, difference and the importance of being yourself. Young people face pressure like never before from poverty, stereotyped body image, social media and the need to conform.

The children danced to This is Me from the Greatest Showman, and sent the message to all who were watching that there is beauty and strength in difference and that difference should be valued and celebrated.

The children have been invited to perform again at the LPESN Awards Ceremony on 20 July.

FoBS' Dress as what you want to be when you grow up day - Thursday 23 May

It was great to see so many aspirational and imaginative career ideas worn in school just before we broke up for Half Term, illustrated this time by our Nursery children who already have designs on becoming chefs, police officers, doctors, nurses, people in business, construction engineers, members of the Armed Forces, princesses and superheroes.

We already know it is possible to become a member of the Royal Family (Meghan and Kate) and by the time these children reach adulthood who knows what career opportunities may exist?

Whatever our children choose to do, we aim to give them the skills they need for successful living in the modern world. It looks like we'll be in safe hands!

Reminders to all Parents and Carers

Correct School Uniform:

Please ensure your child comes to school in the correct uniform. All children must wear black shoes, black or grey school trousers or skirts and socks and Hijabs should be plain white, black or grey. Grey or black shorts or purple checked summer dresses can be worn in warm weather.

Punctuality:

Please ensure your child arrives to school on time every day; arriving late is embarrassing and missed learning time affects achievement and stops your child from reaching his or her potential.

Parking:

Please observe the warning signs and flashing lights, and park carefully when dropping off and collecting your children. Parking carelessly puts children at risk. Wardens patrol for the children's safety and welfare.
