REMOTE LEARNING TIMETABLES AT BRINSWICK PARK PRIMARY SCHOOL

Dear Parents and Carers

The Government Department for Education (DfE) requires all schools to have a contingency plan in place in case of a local coronavirus outbreak. As you are already aware, in the event of a lockdown or pupils needing to isolate as a result of a confirmed positive COVID-19 case, pupils at Brunswick Park will attend Virtual School from home. Learning will be set using Google Classroom. Class teachers will give feedback to pupils and all areas of the curriculum will be taught remotely.

The school is required to provide pupils with a remote learning timetables that replicate the school day. When educated at the Virtual School, pupils are expected to follow their Year Group's remote learning timetable, or if they have SEND, a timetable tailored to their needs will be provided.

These timetables will only be used if pupils have to be taught remotely for an extended period of time.

By following their remote learning timetable, pupils should continue to make progress and should not fall behind. This way of teaching will also ensure that pupils continue to have access to a broad and balanced curriculum that allows them to develop their skills and knowledge in engaging and interactive ways.

All remote learning timetables are attached to this letter, and are also available on the school's website under the **Virtual School – Remote Learning Tab**. We understand that helping children to learn at home can be challenging for all sorts of reasons and thank you in advance for your support in trying your best to encourage your children to complete work to the best of their ability.

If you have any questions about your child's remote learning timetable or you need any support accessing Google Classroom please contact me via the School Office email:

office@brunswickpark.southwark.sch.uk

Yours sincerely

Thomas Moudiotis
Deputy Head Teacher
