

Sports Premium Plan and Impact Statement 2019 – 2020

Brunswick Park Primary School received £19552 in PE and Sports Premium funding.

From this year, under revised government guidelines for its use, the PE and Sports Premium can be used to fund the following activities and initiatives: additional, sustainable improvements to the provision of PE and sport for all pupils and to encourage healthy, active lifestyles.

This includes developing or adding to the PE, physical activity or sport activities Brunswick offers already, and building capacity or capability within the school to ensure improvements benefit pupils joining in future years.

There are 5 Key Indicators across which improvement should be seen. These are:

1. The engagement of all pupils in regular physical activity. It is recommended that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement;
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broader experience of a range of sports and activities offered to all pupils;
5. Increased participation in competitive sport.
