- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- › Ensure that, where possible, appointments for their child are made outside of the school day

3.8 Pupils

Pupils are expected to:

- › Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 08:55 on each school day.

The register for the first session will be taken at 08:55 and will be kept open until 09:25. The register for the second session will be taken in Years 4-6 and the EYFS at 13:00, and in Years 1-3 at 13:25 and will be kept open until 13:30.

4.2 Unplanned absence

Children should be kept at home only if they have a serious illness or injury. If a child has a minor ailment, e.g. headache or stomach ache, parents/carers should bring the child in and inform the teacher in person or via the school office. These ailments are not considered serious enough to warrant absence from school. If the child's condition worsens, school will contact parents/carers.

If a child is not able to attend school, the pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 08:45 or as soon as practically possible by calling the school office staff (see also section 7).

School office staff will note the absence on the MIS and inform the Attendance Officer and class teacher.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised if the pupil's parent/carer notifies the school in advance of the appointment. However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents/carers must telephone the school office to request leave for medical/dental reasons and present written evidence in the form of a text or dentist/doctors' letter before the leave is taken. The Attendance Officer will check and code the absence.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Planned absence for reasons other than medical/dental must be requested via an Exceptional Leave form, available in hard copy from the school office and to download via the school website www.brunswickparkprimary.co.uk. The Head Teacher is responsible for authorising these absences.

Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

The school identifies and responds to ongoing punctuality issues by

1. Analysing attendance and punctuality data from the MIS weekly
2. Weekly calls to parents/carers of children identified to identify barriers to good punctuality
3. Following up weekly calls in writing to the parents/carers of children identified, informing them of minutes' learning lost
4. Referring to Family Early Help and/or the LA Education Inclusion Team

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a doorstep/home visit, or contact police
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the LA Education Inclusion Team

4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels via half-termly written attendance reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Head Teacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Head Teacher's discretion, including the length of time for which the pupil is authorised to be absent.

We define 'exceptional circumstances' as

- If a parent can evidence that they will not be in receipt of any leave in the near future that coincides with school holidays
- Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue. Medical evidence of the need for this must be provided
- The death or terminal illness of a close relative, only if Head Teacher is satisfied that the circumstances are truly exceptional;
- Out of school programmes such as music, arts or sport operating at a high standard of achievement. Documentary evidence of this event will be required;
- Graduation ceremony of an immediate family member;
- Religious observance – The Education Act 1996 S444(3) (c), states "on any day exclusively set apart for religious observance by the religious body to which his/her parent belongs";

- To attend a wedding or funeral of a close relative if the Head Teacher is satisfied that the circumstances are truly exceptional. Leave should only be authorised for this purpose when the Head Teacher is satisfied that there is a persuasive reason for holding the wedding during term time. There will be an onus on parents to show clear evidence that this absence is absolutely an exceptional circumstance.
- In difficult family situations the Head Teacher may use his/her discretion in granting leave and each case should be addressed on its individual merits, taking into account the overall welfare of the child.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. If the need to be absent from school does not involve the child, it will not be authorised. Children are entitled to 190 days' education per year.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via an Exceptional Leave form, available in hard copy from the school office and to download via the school website www.brunswickparkprimary.co.uk. Evidence is required to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

5.2 Legal sanctions

The school or local authority can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carers must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Head Teacher, local authority officer or the police.

The decision on whether to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

Good attendance is celebrated in assemblies and in the school Newsletter. Individual pupils and classes are rewarded for good attendance with certificates and classes are rewarded with special events, such as non-uniform days for the classes with the highest attendance, chosen from an agreed menu in line with the Behaviour and Discipline Policy. Where punctuality is a concern and the child has capacity to improve it, meetings are held at breaktimes to agree targets and incentives.

7. Attendance monitoring

The Attendance Officer monitors attendance and absence data weekly to identify individuals and groups of pupils where attendance is 95%, 94 – 91%, 90% and below 90% and to establish patterns and trends. Intervention and support are then prioritised, using a stepped approach. We know that pupils with EHCPs and complex SEND have lower attendance than their peers, and a greater number of barriers to improving it, including pre-existing medical conditions and care needs that result in higher levels of absence. This group of pupils is analysed separately, as well as with the rest of the school, (disaggregated and aggregated) to monitor the impact of stepped strategies to improve pupil attendance, and along with pupils subject to CP and CIN plans are the first priority for intervention and support.

Children in Reception below Statutory School Age (SSA) are expected to attend school every day on time to form long lasting positive attendance habits. Parents/carers of these children are expected to report and manage their children's absence in the same way as parents/carers of children who are of SSA. Class teachers and the Attendance Officer will communicate these expectations to parents/carers and provide support in line with the stepped approach if attendance becomes a concern.

7.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school

- Follow meetings up with letters to parents/carers that include targets for improvement
- Provide access to wider support services to remove barriers to attendance, including Family Early Help and the LA Education Inclusion Team
- Undertake close monitoring of pupils with persistent and severe absence and where unauthorised absence trends and patterns are identified

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the Head Teacher. At every review, the policy will be approved by the full governing board.
